

Ice Hockey Systems, Inc. Acquires Soccer Chalk Talk

Notes / Coaching Points

Ice Hockey Systems, Inc. is excited to announce its acquisition of www.soccerchalktalk.com. Soccer Chalk Talk is one of the leading online resources in the soccer community. With over 130 animated soccer drills, the site, much like www.icehockeysystems.com, allows coaches the ability to search by age level, create their own practices and share with their teams. The site's animations will breed a lot of new practice ideas for coaches to help run fresh drills that will improve the team's skill and work ethic.

The animations on www.soccerchalktalk.com are top of the line and of video game quality, which really gives the coaches and players the ability to understand exactly what to do for each drill. Ice Hockey Systems is excited to take this venture under its wing and is committed to make www.soccerchalktalk.com the best soccer coaching resource in the world.
